Round Up & Fish Fry

School Round-Up & Registration Night – with a Fish Fry!

Have you registered for next year? Join us on March 21st for a special Registration Night from 4:00 to 6:00 PM for both current and future parents! Registration forms will be available, and our staff will be eagerly waiting to greet students.

Best of all, we're hosting a Fish Fry Dinner! Enjoy delicious fried fish with sides and a french fry truck! Beer and wine will be served!

Need help with scholarships? Don't let financial concerns hold you back! Families can begin the scholarship application process this evening by filling out FACTS forms—just bring your 2023-2024 tax forms to get started. The program is open, and many have already applied!

If you have any concerns, feel free to stop by Mrs. Krautscheid's office during the event or anytime. Our goal is to ensure that no child is turned away while being good stewards of our school's fi-

nances. There is always a way!

We look forward to seeing you there!

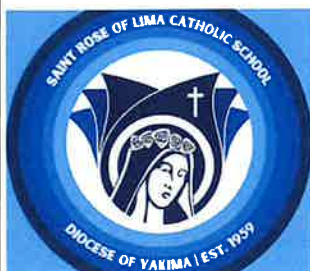

HELPFUL PARENTING TIP FOR TRANSITION TO A NEW YEAR

We are so excited to begin registering students for the 2025-2026 school year. It is also the time of year where parents begin to discuss with their children what the plan is for next year. Helpful tip: Wait to tell

your students if there will be a big change in your plan if at all possible. Students shut down with their academics and begin to distance themselves from friends when they are told they will be moving or leaving for an-

other school. Teachers work so hard to give your students exactly what they need each day. We are here for you! Please call anytime to discuss needs or concerns for next year. Thank you for sending us these sweet souls to educate.

GREAT NEWS!!!!!!

We are excited to announce that we will be able to separate the 4th, 5th, and 6th grade classrooms next year!

Mrs. Navarro will be teaching 6th grade, while Mrs. Lundgren and Mrs. Beaulieu are prayerfully considering whether one will teach 4th and the

other 5th. No matter the decision, it's a wonderful outcome for our school!

We are incredibly blessed with our teaching staff at St. Rose School. Having spent 10 years teaching, coaching writing for K-12 in the Ephrata schools, and serving as commissioner

for the Diocese of Yakima, I have been in countless classrooms—and the level of talent at St. Rose is truly remarkable.

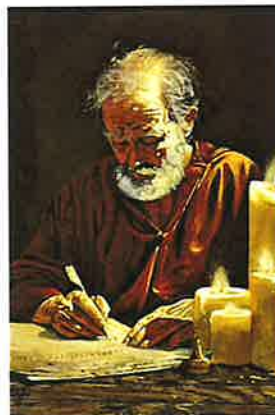

Our dedicated teachers nurture and guide young souls each day, and we couldn't be more grateful. The 2025-2026 school year is going to be amazing!

BEATITUDE FOR MARCH BLESSED ARE THE PERSECUTED

We will be learning about what it means to be persecuted Monday March 10th. This a great beatitude that teaches humility when we make mistakes, patience when someone mistreats us, and most of all the

treasure of forgiveness. Students will be learning about Saul who spent years persecuting Christians and had a miraculous conversion and became St. Paul. St. Paul was one of the most influential

leaders of the early church and one of Jesus' apostles.

LENTEN SEASON

Lent began last week! We will be saying the Stations of the Cross each Friday at 8:00 AM. Please join us anytime. Pay close attention to the weekly calendar. Lenten

activities will be sprinkled throughout the next two months.
